## Quiz & Worksheet - Approaches to Multicultural Curriculum Reform

<http://study.com/academy/practice/quiz-worksheet-approaches-to-multicultural-curriculum-reform.html>

1. What is multicultural curriculum reform?

- Reform that rewrites school standards so that all students can succeed
- Making the student body more diverse at a school
- Making a school's program more diversely accessible and representative
- Asking families to become more involved in a school's curriculum

2. What is characteristic of the additive approach to multicultural curriculum reform?

- Asking students to write the curriculum
- Starting with the curriculum you already have
- Overhauling the basic assumptions of the curriculum
- Engaging students in social activism as part of the curriculum

3. Which of the following is an advantage of the additive approach to multicultural curriculum reform?

- It requires students to question their most basic assumptions.
- It engages all teachers in critical thought and social justice work.
- It requires less time and effort than some other approaches.
- It eradicates racism in a school community.
