

Accessus Ad Auctores: Studies In Honor Of Christopher Kleinhenz

Few scholars of the Middle Ages are as respected and admired as Christopher Kleinhenz. A professor of Italian at the University of Wisconsin-Madison since 1975, he has been a leading authority on Dante and Italian literature for decades. His work has inspired generations of scholars and students alike. This volume, edited by Fabian Alfie and Andrea Dini, is a tribute to his life and work. It contains a collection of essays that explore various aspects of his scholarship, from his early work on Dante to his later work on Italian literature and culture. The book is a valuable resource for anyone interested in the Middle Ages or Italian literature.
