

Woosh! I Hear A Sound

Do you know what the M-97 flamethrower sounds like Ernie? It roars like a dragon, a fiery God purging everything in his path. Hold down that trigger and the whoosh drowns out everything else. Focus on the noise and you can almost convince yourself you don't hear the screams. By the time the tank is empty, everything's over, even the men are quiet. There's nothing but the crackling of burning thatch.

You see Ernie, it's not the noise that keeps me awake at night. It's the silence.

I followed way too many people smh

Since the last patch, I have been hearing the sound of someone joining your game wherever I am on the client and I was just wondering if. It sounds like "woosh woosh woosh" - each woosh represent a rotation of the tire/ axle etc. and it can be heard cleared from mph - after that.
